FROM THE PRESIDENT

Hello and welcome back to Princess Road Reserve where today we welcome another new team in Carramar Shamrock Rovers.

This will be another tough game for us and it is necessary for us to learn how to overcome these battling teams if we are going to be able to gain promotion in the future and earn the right to play in a higher league. Carramar are sitting in 4th spot at present and are looking good.

This is the first of three games in eight days. The good thing is two games are at home, today and next Saturday with the short trip to Wanneroo against the league leaders on Wednesday night. The Reserves and 18's will be playing Tuesday evening against Wanneroo so we have a full week of football ahead. This will be followed by the visit of Kelmscott to our home next Saturday.

Following the easing of restrictions from the Covid19 outbreak we are again hosting poker here at the club every Friday night. All our members are welcome to come along and enjoy a beer and social interaction even if you do not want to play poker, it is a good atmosphere for all with finger food available also.

Our Sunday teams are also in full swing and several times this year we will be hosting four games at home on a Sunday afternoon with our two Women's teams, two Masters teams and the Metro social team. If you would like to have a run the Masters and Metro teams still have spots available most weekends.

We trust that all football fans enjoy your afternoon at Balga this afternoon and we look forward to meeting you in the clubhouse after the games to take in our favoured position in the world, one of almost normality.

All the best to all and stay safe and alert and keep WA the best place in the world.

Go the Black N Greens

LAST WEEK'S GAME

Kingsley Westside vs Balga

The footballwa.net 'Match of the Round' has seen Kingsley Westside continue their good start to State League football after a 3-0 win against Balga at Chichester Park on Saturday evening. "It was a good physical game and we took our chances in the first half, although we weren't at our best," assistant coach Stuart Montgomery said. "We had a chat at half time and we changed a few things with the way we wanted to play and the boys went out and really played well second half, and we could have had more goals. But happy with the win and we move on to a big game next week."

Balga has most of the possession in the opening 25 minutes, but against the run of play it was the home side who scored first. A well-worked move down the left, saw Jayden Drummond cut inside and play a one-two with Ramiro Vila, and Drummond curled the ball home from 20 metres. This was the trigger for Kingsley to start getting on top, and it was 2-0 six minutes before half time, Drummond grabbing his second, firing home a free kick from long-range via the crossbar.

The points were wrapped up on 77 minutes, a deep cross picked out Sam Church at the back post and his shot gave the Balga keeper no chance. Balga could have had a late consolation from a spot kick in the 88th minute, when Quin Connelly went on a run and appeared to be fouled in the box. However the referee waved away any penalty appeal.

RESERVES REPORT

Two weeks ago we had a good 2-1 win against Morley, having to fight in the last ten minutes to get across the line. And last week, we played an in form and very good Kingsley side - we went into the game with two of our strikers being unable to play due to injuries, so some changes were made.

We went 1-0 down in the first half but we stopped them playing in the second...and went looking for the equaliser - it ended up 1-0, but we performed with heart and had some good spells with good passage of play - to be honest, deserved a point (at least)...but that's football.

But we get to turn things around and hope to bring that positivity against Carramar Shamrock today - whom I am sure will be doing the same.

Good luck to the U18's and First Team, and may all the games be played in the right spirit.

Enjoy the afternoon

DIVISION TWO – ROUND SIX PREVIEW

We head into week six of the State League Division Two and the footballwa.net 'Match of the Round' sees third placed Joondalup City host second placed Kingsley Westside. City lost ground on the leaders last week with a 1-1 draw at Morley, while Kingsley beat Balga 3-0 to move up to second on the table.

Joondalup have only been beaten once this season and coach Nigel Smith said they had their chances last week, but failed to take them. "To be honest we should have bagged the three points last week, the team is playing some great football," he said. "But we need to be more consistent for 90 minutes, and take our chances when they come, because we were punished last week, one mistake cost us."

Kingsley Westside coach Steven Dimitrovich said the win against Balga continued their good start to life in the state League. "Saturday night was a good win against Balga, especially after the first 15 minutes where Balga had the better of the game, but once we settled down and played our way, I thought we controlled the rest of the game," he explained. "I couldn't be happier with our start to state league life which is all down the boys' attitude, not only the first team but 18's and reserves as well, who have all bought into our culture and style of play."

In other games this weekend, league leaders Wanneroo City visit Burrendah Reserve to take on Canning City. The visitors go into this one with a perfect start to the season but will come up against a Canning side looking to bounce back from back to back defeats. Curtin University host Kelmscott Roos at Edinburgh Oval, Murdoch University Melville entertain Dianella White Eagles at Murdoch Uni, while Gosnells City meet Morley Windmills at Walter Padbury Reserve.

In the final game Carramar Shamrock Rovers will look to continue their run of three undefeated games when they take on Balga at Princess Road Reserve. Balga were beaten at Kingsley last week, but did win their last game at home in week four so they be looking for a repeat on Saturday. Rovers fought out an entertaining 3-2 win against Canning last week, and head coach Gerry McEwan said it was great game.

"I've spoken to a few people who came down to watch our game and they really enjoyed it, so credit to Canning for their contribution," he said. "We spent much of the first half going forward, but lacked any cutting edge in the final third. Canning punished us with a fast counter attack and a great finish to take the lead. We deserved to equalise on the balance of play, but it had to come from a set piece as we couldn't see us scoring from open play, but the second half was a much better performance and I felt we were good for more than a 3-2 win."

Rovers injuries are clearing up and McEwan said he will have a few selection headaches for this weekend's game at Balga. "We're slowly getting our injured players back into the squad, so there's healthy competition for a place in the starting XI. We still feel we have a lot of improvement in us, but we're reasonably pleased with our start to the season," he explained. "I think we've drawn at Balga the last two seasons, so I think Saturday may be another close encounter. We'll be looking for more from our lads as we chase our first away victory of the season and look to climb up the table."
